

# Mel Monaco

## Short Bio – 79 words

---

“If you can’t be safe, be spectacular” is a phrase that sets the musical tone for Mel Monaco, a Canadian singer, songwriter, pianist, and guitarist born in Northern, Ontario.

Influenced by her rhythmic dancing mother, and soulful singing and drumming father there is no doubt this broad mixture of creativity aided in the foundation of her musical fate.

Having started out young on the stage, Mel was led to her artistic home and greatest passion- singing and song writing.
